

ALABAMA-MISSISSIPPI
BAYS AND BAYOUS SYMPOSIUM
MOBILE CONVENTION CENTER
JANUARY 12-14, 2027

Your sponsorship will help ensure the success of this first-class regional symposium, which attracts 400-500 participants. Your participation will help us provide a reasonable registration rate and offset costs for such a large event. The Mobile Bay National Estuary Program representative for business development, Henry Perkins, will gladly provide further details or answer questions. You may contact him at hperkins@mobilebaynep.com or at (251) 431-6455. Thank you for your role in this collaborative endeavor to preserve, improve, and balance the ecological resources of the Northern Gulf Coast.
