Step-by-Step Guide for Single Abstract Submissions

1. Create an Account

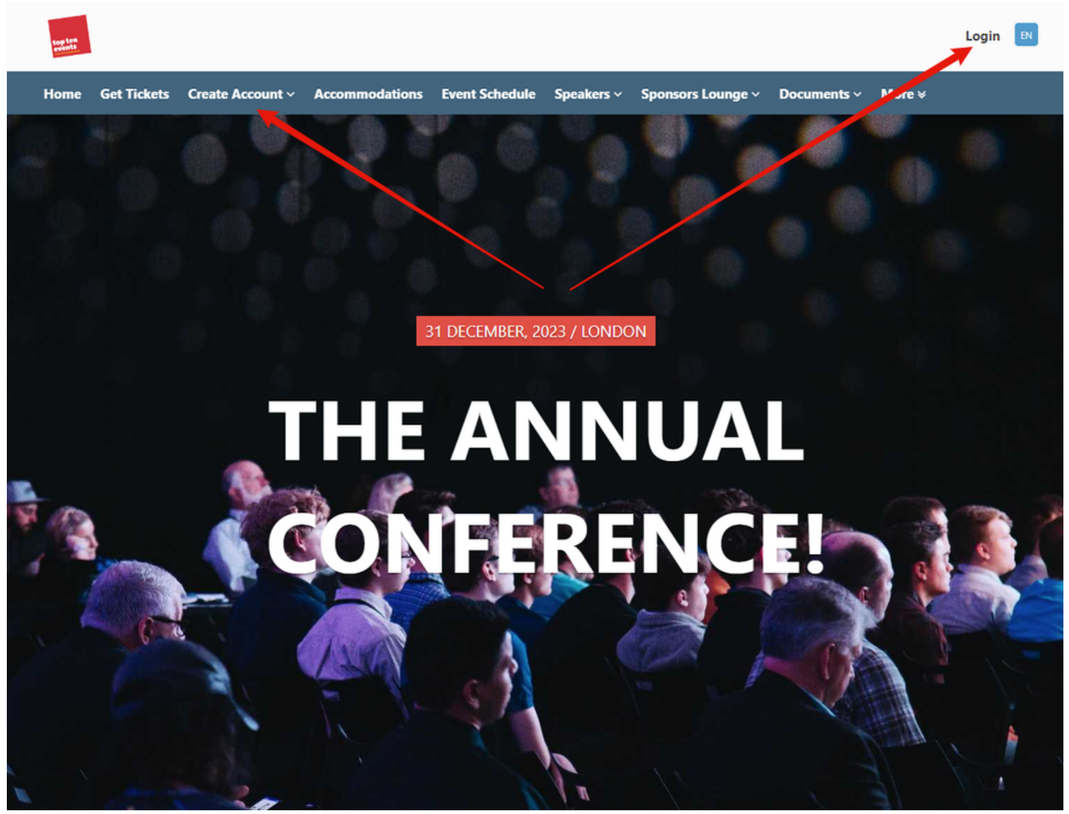

As a new user, go to the top navigation menu and click on **Create Account**

Enter your details and click on Create Account. If you entered the details correctly, the account will be created and you'll be logged-in.

If you already have an account, click on **Login** to the upper right corner

If you forgot your password, click on **Forgot your Password?**, then enter your email. You will receive an email to reset your password

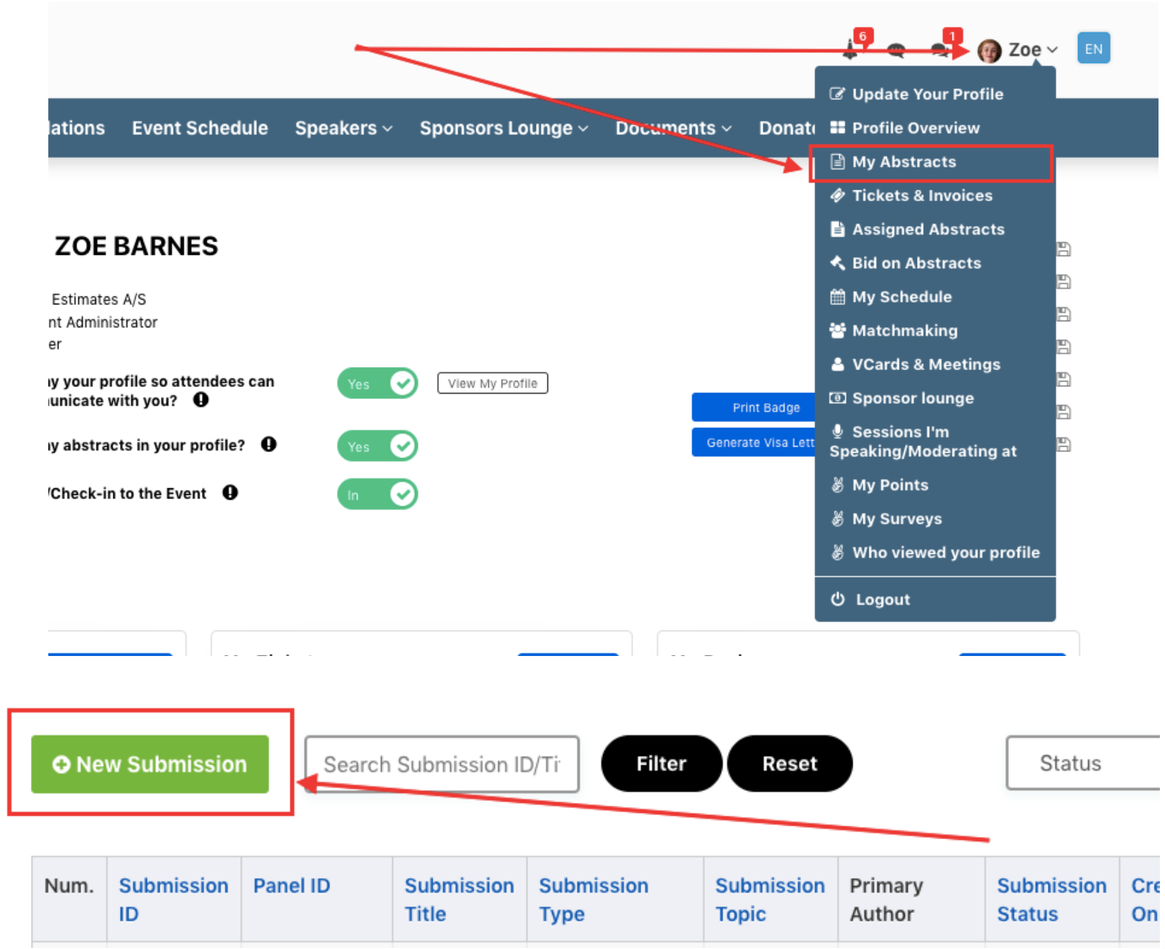

If you do not receive an email confirmation, kindly check your Spam (or Junk) mail and mark as Not Spam

2. Submitting a Single Abstract

Once you are logged-in, hover on profile icon in the top right corner and click on **My Abstracts**

On the next page, click on **"New Submission"**

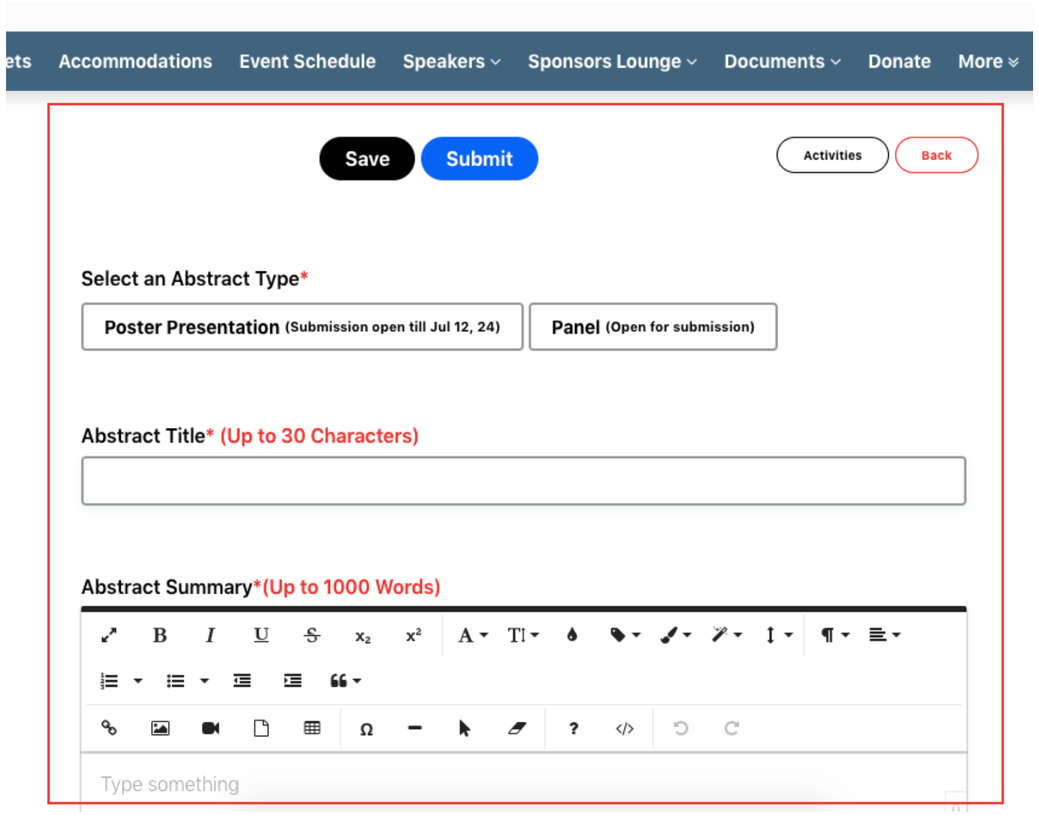

2a. Submitting a Single Abstract

Enter your **submission information** including submission type, submission title and submission summary

Click **Save** anytime during the application process if you plan to leave the site and revisit later (Save button at bottom of screen)

If you do not receive an email confirmation, kindly check your Spam (or Junk) mail and mark as Not Spam

2b. Submitting a Single Abstract

Add authors in **Primary, Presenting and Co-Author Details**

After all the prior fields have been completed click **Save**

You may also Save anytime during the application process if you plan to leave the site and revisit later

When you are ready to submit your application, click **Submit**

Once you have submitted, you may withdraw your application (if organizer has enabled this option)

You will also receive an email confirmation with a PDF file of your submission
